Says No One Need Remain Thin Now

Physician's Advice For Thin, Undeveloped Men and Women

Thousands of people suffer from excessive thinness, weak nerves and feeble stomacns who, having tried advertised flesh-makers, food-lads, physical
culture stunts and rub-on creams, reright themselves to lifelong skinniness
and think nothing will make them fat.
Yet their case is not hopeless. A redeally discovered regenerative force
makes fat grow after years of thinmess, and is also uncounsied for revaring the waste of sickness or faulty
digestion and for strengthening the
nerves. This remarkable discovery is
called Sargol. Six strength-giving, latcalled Sargol. Six strength-giving, lat producing elements of acknowledge-mer; have been combined in this peer-less preparation, which is endorsed b-eminent physicians and used by prom thent people everywhere. It is abso people everywhere. It is abso harmless, inexpensive and effi

A month's systematic use of Sargol chould produce flesh and atrength by correcting faults of digestion and by supplying highly concentrated fats to the blood. Increased nourisliment is obtained from the food caten, and the additional fats that thin people need are provided. Lee & Osgood and other leading druggists supply Sargol and may there is a large demand for it.

While this new preparation has given while this new preparation has given to selendld results as a nerve-tonic and vicalizer, it should not be used by
